

## *Wolf Hall Bring Up The Bodies Two Book Edition*

From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

NEW YORK TIMES NOTABLE BOOK OF 2020! NPR BEST BOOK OF 2020 PEOPLE MAGAZINE TOP TEN BOOKS OF THE YEAR BOOKPAGE BEST BOOK OF 2020

GOOD HOUSEKEEPING BEST BOOK OF 2020 "A sensual and perceptive novel. . . . With humor and humanity, Miller resists the simple scorned-wife story and instead crafts a revelatory tale of the complexities—and the absurdities—of love, infidelity, and grief."

—O, the Oprah Magazine A brilliantly insightful novel, engrossing and haunting, about marriage, love, family, happiness and sorrow, from New York Times bestselling author Sue Miller. Graham and Annie have been married for nearly thirty years. Their seemingly effortless devotion has long been the envy of their circle of friends and acquaintances. By all appearances, they are a golden couple. Graham is a bookseller, a big, gregarious man with large appetites—curious, eager to please, a lover of life, and the convivial host of frequent, lively parties at his and Annie's comfortable house in Cambridge. Annie, more reserved and introspective, is a photographer. She is about to have her first gallery show after a six-year lull and is worried that the best years of her career may be behind her. They have two adult children; Lucas, Graham's son with his first wife, Frieda, works in New York. Annie and Graham's daughter, Sarah, lives in San Francisco. Though Frieda is an integral part of this far-flung, loving family, Annie feels confident in the knowledge that she is Graham's last and greatest love. When Graham suddenly dies—this man whose enormous presence has seemed to dominate their lives together—Annie is lost. What is the point of going on, she wonders, without him? Then, while she is still mourning Graham intensely, she discovers a ruinous secret, one that will spiral her into darkness and force her to question whether she ever truly knew the man who loved her.

A New York Times Notable Book Ralph and Anna Eldred are an exemplary couple, devoting themselves to doing good. Thirty years ago as missionaries in Africa, the worst that could happen did. Shattered by their encounter with inexplicable evil, they returned to England, never to speak of it again. But when Ralph falls into an affair, Anna finds no forgiveness in her heart, and thirty years of repressed rage and grief explode, destroying not only a marriage but also their love, their faith, and everything they thought they were.

For the past several years the Division of Applied Mathematics at Brown University has been teaching an extremely popular sophomore level differential equations course. The immense success of this course is due primarily to two factors. First, and foremost, the material is presented in a manner which is rigorous enough for our mathematics and applied mathematics majors, but yet intuitive and practical enough for our engineering, biology, economics, physics and geology majors. Secondly, numerous case histories are given of how researchers have used differential equations to solve real life problems. This book is the outgrowth of this course. It is a rigorous treatment of differential equations and their applications, and can be understood by anyone who has had a two semester course in Calculus. It contains all the material usually covered in a one or two semester course in differential equations. In addition, it possesses the following unique features which distinguish it from other textbooks on differential equations.

OUR GREATEST LIVING WRITER. SIX OF HER BEST NOVELS.

Stephen King meets Muriel Spark in Hilary Mantel's first novel. Evelyn Axon - a medium by trade - and her half-wit daughter Muriel have become a social problem. Barricaded in their once-respectable house, they live amid festering rubbish, unhealthy smells - and

secrets. They completely baffle Isabel Field, the social worker assigned to help them. But Isabel is only the most recent in a long line of people that find the Axons impossible. Meanwhile, Isabel has her own problems: a married lover, Colin. He is a history teacher to unresponsive children and father to a passel of his own horrible kids. With all this to worry about, how can Isabel even begin to understand what is going on in the Axon household? When Evelyn finally moves to defend Muriel, and Muriel, in turn, acts to protect herself, the results are by turns hilarious and terrifying.

Winner of the 2012 Man Booker Prize Winner of the 2012 Costa Book of the Year Award The sequel to Hilary Mantel's 2009 Man Booker Prize winner and New York Times bestseller, *Wolf Hall* delves into the heart of Tudor history with the downfall of Anne Boleyn. Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her powerful family will not yield without a ferocious struggle. Hilary Mantel's *Bring Up the Bodies* follows the dramatic trial of the queen and her suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head? *Bring Up the Bodies* is one of The New York Times' 10 Best Books of 2012, one of Publishers Weekly's Top 10 Best Books of 2012 and one of The Washington Post's 10 Best Books of 2012

*From the two-time Man Booker winner, the story of the 18th Century Irish giant, Charles O'Brien. Charles O'Brien, bard and giant. The cynical are moved by his flights of romance; the craven stirred by his tales of epic deeds. But what of his own story as he is led from Ireland to seek his fortune beyond the seas in England? The Surprising Irish Giant may be the sensation of the season but only his compatriots seem to attend to his mythic powers of invention. John Hunter, celebrated surgeon and anatomist, buys dead men from the gallows and babies' corpses by the inch. Where is a man as unique as The Giant to hide his bones when he is yet alive? The Giant, O' Brien is an unforgettable novel; lyrical, shocking and spliced with black comedy.*

*Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life, and his intense but ultimately doomed friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the Chronicles as a profoundly literary creation, and the portal to a lifelong adventure in books, art, and the imagination.*

*Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway, *Wolf Hall* and *Bring Up the Bodies* bring history to life for a whole new audience having now been adapted into a six-part television series by the BBC and PBS Masterpiece. Hilary Mantel's Thomas Cromwell novels are the most formidable literary achievements of recent times. *Wolf Hall* begins in England in 1527. England is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. Into this impasse steps Thomas Cromwell: a wholly original man, a charmer and a bully, both idealist and opportunist, master of deadly intrigue, and implacable in his ambition. *Bring Up the Bodies* unlocks the darkly glittering court of Henry VIII, where Thomas Cromwell is now chief minister. Henry is disenchanted with Anne Boleyn and has fixed his eye on the demure Jane Seymour. Anne has failed to give England an heir and rumors of her infidelity creep through the court. Over a few terrifying weeks, to dislodge her from her throne, Cromwell ensnares Anne in a web of conspiracy—acting to save his life, serve his king and secure his position. But from the bloody theater of the queen's final days, no one will emerge unscathed.*

*"An exceptional and compelling biography about one of the Tudor Age's most complex and controversial figures." —Alison Weir Thomas Cromwell has long been reviled as a Machiavellian schemer who stopped at nothing in his quest for power. As King Henry VIII's right-hand man, Cromwell was the architect of the English Reformation; secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —The Wall Street Journal "Borman unravels the story of Cromwell's rise to power skillfully . . . If you want the inside story of Thomas Cromwell . . . this is the book for you." —The Weekly Standard "An engrossing biography. . . . A fine rags-to-riches-to-executioner's-block story of a major figure of the English Reformation." —Kirkus Reviews "An insightful biography of a much-maligned historical figure." —Booklist*

*Assuming the power recently lost by the disgraced Cardinal Wolsey, Thomas Cromwell counsels a mercurial Henry VIII on the latter's efforts to marry Anne Boleyn against the wishes of Rome and many of his people, a successful endeavor that comes with a dangerous price. By the Hawthornden Prize-winning author of *Eight Months on Ghazzah Street*. 40,000 first printing.*

*Hailed as a "writer of subtlety and depth," Hilary Mantel turns her dark genius on the world of psychics in this smart, unsettling novel (Joyce Carol Oates) A paragon of efficiency, Colette took the next natural step after finishing secretarial school by marrying a man who would do just fine. After a sobering, do-it-yourself divorce, Colette is at a loss for what to do next. Convinced that she is due an out-of-hand, life-affirming revelation, she strays into the realm of psychics and clairvoyants, hungry for a whisper to set her off in the right direction. At a psychic fair in Windsor she meets the charismatic Alison. Alison, the daughter of a prostitute, beleaguered during her childhood by the pressures of her connection to the spiritual world, lives in a different kind of solitude. She cannot escape the dead who speak to her, least of all the constant presence of Morris, her low-life spiritual guide. An expansive presence onstage, Alison at once feels her bond with Colette, inviting her to join her on the road as her personal assistant and companion. Troubles spiral out of control when the pair moves to a suburban wasteland in what was once the English countryside and take up with a spirit guide and his drowned therapist. It is not long before Alison's connection to the place beyond black threatens to uproot their lives forever. This is Hilary Mantel at her finest- insightful, darkly comic, unorthodox, and thrilling to read.*

*This major history of the Christian Church in Africa spans five centuries and the whole compass of different Christian movements from the old Ethiopian Church to Catholic and Protestant missionaries and the independent' churches of today.*

*The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise *The Viking Age -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, *Children of Ash and Elm* tells the story of the Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eirík Bloodaxe, who fought his way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, *Children of Ash and Elm* is the definitive history of the Vikings and their time.**

The Bond and Money Markets is an invaluable reference to all aspects of fixed income markets and instruments. It is highly regarded as an introduction and an advanced text for professionals and graduate students. Features comprehensive coverage of: \* Government and Corporate bonds, Eurobonds, callable bonds, convertibles \* Asset-backed bonds including mortgages and CDOs \* Derivative instruments including futures, swaps, options, structured products \* Interest-rate risk, duration analysis, convexity, and the convexity bias \* The money markets, repo markets, basis trading, and asset/liability management \* Term structure models, estimating and interpreting the yield curve \* Portfolio management and strategies, total return framework, constructing bond indices \* A stand alone reference book on interest rate swaps, the money markets, financial market mathematics, interest-rate futures and technical analysis \* Includes introductory coverage of very specialised topics (for which one previously required several texts) such as VaR, Asset & liability management and credit derivatives \* Combines accessible style with advanced level topics

‘ Your whole life depends on the next beat of Henry ’ s heart ’ Ahead of the release of *The Mirror & the Light*, the stunning conclusion to Hilary Mantel ’ s *Wolf Hall* Trilogy, revisit two of the most celebrated novels of our time.

When John Bercow retired as Speaker of the House of Commons on 31 October 2019, he had become one of the most recognisable and iconoclastic figures in British politics, occupying a ringside seat during one of the most febrile periods in modern British history. In his no-holds-barred memoir, he offers verdicts on the leading figures of his era - from Tony Blair to David Cameron, Theresa May to Boris Johnson, and charts his extraordinary political journey. *UNSPEAKABLE* is essential reading for anyone interested in politics and how our democracy is - or should be - run.

A collection of essays on fiction in Britain, with contributions by contemporary novelists and critics such as Martin Amis, Ian McEwan, Hilary Mantel, James Wood, Christopher Hitchens, Michael Wood, and Elaine Showalter.

Set during the French Revolution, this "riveting historical novel" ("The New Yorker") is the story of three young provincials who together helped destroy a way of life and, in the process, destroyed themselves.

Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway, *Wolf Hall* and *Bring Up the Bodies* bring history to life for a whole new audience having now been adapted into a six-part television series by the BBC and PBS Masterpiece. England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. Into this impasse steps Thomas Cromwell: a wholly original man, a charmer and a bully, both idealist and opportunist, master of deadly intrigue, and implacable in his ambition.

When all the pumpkins in New Mouse City disappear days before Halloween, Geronimo and his detective friend Hercule Poirot investigate, as all the mice in the city receive invitations to a mysterious party.

A two-ebook edition of Hilary Mantel ’ s bestselling novels: *Wolf Hall*, winner of the Man Booker Prize 2009, and *Bring Up the Bodies*, winner of the Man Booker Prize 2012. *Wolf Hall* and *Bring Up the Bodies*, the first two instalments in Hilary Mantel ’ s Tudor trilogy, have gathered readers and praise in equal and enormous measure. They have been credited with elevating historical fiction to new heights and animating a period of history many thought too well known to be made fresh. Through the eyes and ears of Thomas Cromwell, the books ’ narrative prism, we are shown Tudor England, the court of King Henry VIII. Cromwell is a wholly original man: the son of a brutal blacksmith, a political genius, a briber, a charmer, a bully, a man with a delicate and deadly expertise in manipulating people and events. In *Wolf Hall* we witness Cromwell ’ s rise, beginning as clerk to Cardinal Wolsey, Henry ’ s chief advisor, charged with securing the divorce the pope refuses to grant. He is soon to become his successor. By 1535, when the action of *Bring Up the Bodies* begins, Cromwell is Chief Minister to Henry, his fortunes having risen with those of Anne Boleyn, Henry ’ s second wife. Anne ’ s days, though, are marked. Cromwell watches as the king falls in love with silent, plain Jane Seymour, sensing what Henry ’ s affection will mean for his queen, for England, and for himself.

In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power. England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The queen's chief adviser, the brilliant Cardinal Wolsey, leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps the king, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion. A cast of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure brings ruin. The definitive collection of literary essays by *The New Yorker's* award-winning longtime book critic James Wood. Ever since the publication of his first essay collection, *The Broken Estate*, in 1999, James Wood has been one of the leading literary critics of the English-speaking world. His essays on canonical writers (Gustav Flaubert, Herman Melville), recent legends (Don DeLillo, Marilynne Robinson) and significant contemporary writers (Michael Ferrante) have established a standard for informed and incisive appreciation, composed in a distinctive literary style all their own. Together, Wood's essays, and his bestselling *How Fiction Works*, have become a preoccupation with how fiction tells its own truths, and with the vocation of the writer in a world haunted by the absence of God. In *Serious Noticing*, Wood collects his best essays from his earlier work with autobiographical reflections from his book *The Nearest Thing to Life* and recent essays from *The New Yorker* on young writers of extraordinary promise. The result is an essential collection for the millennium.

Language of electrical measurements - Experimental data and errors - Electrical laboratory practice - Analog DC and AC meters - Digital electronic meters - The oscilloscope - Potentiometers

frequency measurements - Power and energy measurements - Resistors and the measurement - Measurement of capacitance, inductance, and impedance - DC signal sources - Electrical transients - Interference signal and their elimination or reduction - Introduction to instrumentation systems - Data transmission in digital instrument systems/IEEE-488, CAMAC, and RS/232C standards. "One of the greatest achievements of modern literature."—Man Booker Prize Committee Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway. Bodies bring history to life for a whole new audience having now been adapted into a six-part television series by the BBC and PBS Masterpiece. Bring Up the Bodies unlocks the darkly glittering world of Thomas Cromwell. Thomas Cromwell is now chief minister. Henry is disenchanted with Anne Boleyn and has fixed his eye on the demure Jane Seymour. Anne has failed to give England an heir and rumors of her fall have spread. Over a few terrifying weeks, to dislodge her from her throne, Cromwell ensnares Anne in a web of conspiracy—acting to save his life, serve his king and secure his position. But from the bloodshed, one will emerge unscathed.

Shortlisted for The Women's Prize for Fiction 2020 The long-awaited sequel to Wolf Hall and Bring Up the Bodies, the stunning conclusion to Hilary Mantel's Man Booker Prize-winning Wolf Hall. The Guardian 'It is a book not read, but lived' Telegraph 'Her Cromwell novels are, for my money, the greatest English novels of this century' Observer 'If you cannot speak truth at a beheading, why not at a trial?' 1536. Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Thomas Cromwell breakfasts with the victors. The boy emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell has to rely on; he has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to breaking point, Cromwell looks to the country in the mirror of the future. But can a nation, or a person, shed the past like a skin? Do the dead continually unbury themselves? What will you do, the Spanish ambassador asks Cromwell, sooner or later he turns on everyone close to him? With The Mirror and the Light, Hilary Mantel brings to a triumphant close the trilogy she began with Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage.

A taut and terrifying trip into a distorting mirror--a novel as tense, immediate, and chilling as the world it depicts. "A Middle Eastern Turn of the Screw with an insidious power to grip."—Time Magazine The brilliant #1 New York Times bestseller Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more With The Mirror & the Light, Hilary Mantel closes the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage. May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The boy emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, who has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust vision looks to the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The inevitable question: can anyone survive under Henry's cruel and capricious gaze? Eagerly awaited and eight years in the making, The Mirror & the Light completes Cromwell's journey from self-made man to one of the great figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and dominated. New York Times bestselling author Hilary Mantel, two-time winner of the Man Booker Prize, is one of the world's most accomplished and acclaimed fiction writers. Giving Up the Ghost, is her most recent work, a memoir blighted by physical pain in which her singular imagination supplied compensation for the life her body was denied. Selected by the New York Times as one of the 50 Best Memoirs of the Past Decade, her childhood is a complicated sentence that I am always trying to finish, to finish and put behind me." In postwar rural England, Hilary Mantel grew up convinced that the most extraordinary feat of the nineteenth century, she became ill. Through years of misdiagnosis, she suffered patronizing psychiatric treatment and destructive surgery that left her without hope of children. Beset by pain and sadness, she wrote "being"—one novel after another. This wry and visceral memoir will certainly bring new converts to Mantel's dark genius. "Mesmerizing."—The New York Times

***The New York Times bestselling collection, from the Man Booker prize-winner for Wolf Hall and Bring Up the Bodies, that has been called "scintillating" (New York Times Books Review), "breathtaking" (NPR), "exquisite" (The Chicago Tribune) and "otherworldly" (Washington Post). "A new Hilary Mantel book is an event with a capital 'E.'"—NPR "A book of her short stories is like a little sweet treat."—USA Today (4 stars) "[Mantel is at] the top of her game."—Salon "Genius."—The Seattle Times One of the most accomplished, acclaimed, and garlanded writers, Hilary Mantel delivers a brilliant collection of contemporary stories In The Assassination of Margaret Thatcher, Hilary Mantel's trademark gifts of penetrating characterization, unsparing eye, and rascally intelligence are once again fully on display. Stories of dislocation and family fracture, of whimsical infidelities and sudden deaths with sinister causes, brilliantly unsettle the reader in that unmistakably Mantel way. Cutting to the core of human experience, Mantel brutally and acutely writes about marriage, class, family, and sex. Unpredictable, diverse, and sometimes shocking, The Assassination of Margaret Thatcher displays a magnificent writer at the peak of her powers.***

*"Hilary Mantel's novels are the most formidable literary achievements of recent times, both recipients of the Man Booker Prize. Adapted by Mike Poulton, the plays were premiered by the Royal Shakespeare Company at the Swan Theatre, Stratford-upon-Avon, in December 2013, directed by Jeremy Herrin. - This edition contains a substantial set of notes by Hilary Mantel on each of the principal characters, offering a unique insight into the plays and an invaluable resource to any reader looking for an even deeper understanding of Mantel's historical creations - A North American production is expected in 2015. - Taken together Wolf Hall and Bring Up the Bodies have sold more than 3 million copies and have been translated into 36 languages"--*

*Inspiring people to care about the planet. In the new edition of LIVING IN THE ENVIRONMENT, authors Tyler Miller and Scott Spoolman have partnered with the National Geographic Society to develop a text designed to equip students with the inspiration and knowledge they need to make a difference solving today's environmental issues. Exclusive content highlights important work of National Geographic Explorers, and features over 200 new photos, maps, and illustrations that bring course concepts to life. Using sustainability as the integrating theme, LIVING IN THE ENVIRONMENT 18e, provides clear introductions to the multiple environmental problems that we face and balanced discussions to evaluate potential solutions. In addition to the integration of new and engaging National Geographic content, every chapter has been thoroughly updated and 18 new Core Case Studies offer current examples of present environmental problems and scenarios for potential solutions. The concept-centered approach used in the text transforms complex environmental topics and issues into key concepts that students will understand and remember. Overall, by framing the concepts with goals for more sustainable lifestyles and human communities, students see how promising the future can be and their important role in shaping it. offers additional exclusive National Geographic content, including high-quality videos on important environmental problems and efforts being made to address them. Team up with Miller/Spoolman's, LIVING IN THE ENVIRONMENT and the National Geographic Society to offer your students the most inspiring introduction to environmental science available! *A long, loving look at the styles of living and governing fostered by the American Greek Revival, a period that began in the 1820s and flourished until the Civil War. 200 full-color photographs. 50 black-and-white period illustrations.*

*"What does it mean to devote yourself wholly to helping others? In Strangers Drowning, Larissa MacFarquhar seeks out people living lives of extreme ethical commitment and tells their deeply intimate stories; their stubborn integrity and their compromises; their bravery and their recklessness; their joys and defeats and wrenching dilemmas. Through its sympathetic and beautifully vivid storytelling, Strangers Drowning confronts us with fundamental questions about what it means to be human. In a world of strangers drowning in need, how much should we help, and how much can we help? Is it right to care for strangers even at the expense of those we are closest to? Moving and provocative, Strangers Drowning challenges us to think about what we value most, and why"--*

*Winner of the Man Booker Prize 2009 Shortlisted for the the Orange Prize 2009 Shortlisted for the Costa Novel Award 2009 'Dizzyingly, dazzlingly good' Daily Mail 'Our most brilliant English writer' Guardian England, the 1520s. Henry VIII is on the throne, but has no heir. Cardinal Wolsey is his chief advisor, charged with securing the divorce the pope refuses to grant. Into this atmosphere of distrust and need comes Thomas Cromwell, first as Wolsey's clerk, and later his successor. Cromwell is a wholly original man: the son of a brutal blacksmith, a political genius, a briber, a charmer, a bully, a man with a delicate and deadly expertise in manipulating people and events. Ruthless in pursuit of his own interests, he is as ambitious in his wider politics as he is for himself. His reforming agenda is carried out in the grip of a self-interested parliament and a king who fluctuates between romantic passions and murderous rages. From one of our finest living writers, 'Wolf Hall' is that very rare thing: a truly great English novel, one that explores the intersection of individual psychology and wider politics. With a vast array of characters, and richly overflowing with incident, it peels back history to show us Tudor England as a half-made society, moulding itself with great passion, suffering and courage.*
